Treasurer's report:

The report of the action on CDs is included.

Rivkin has not paid dues. It was moved and passed that we send a letter and if no payment, we will take action as prescribed in the By-laws.

Committee Reports:

Landscape: Tony called Triple A for an estimate for removing the trees on common ground in addition to the other estimates already received.

It was moved and passed to accept Triple A offer. It was decided to send letters to notify property owners of the Board's plans

It would cost \$150 to replace the tree and \$60 to move the tree. It needs to be done in the spring or fall. A letter will be sent to the Edwards telling them the price from Living Color and they can contract with LC. It will be understood that they will fill the hole and re-seed the lawn. Tollgate will pay for the surrounding common ground. >

Lamposts are checked regularly for functioning bulbs. The posts need painting. The lighting is essential to the neighborhood and will be kept functioning.

Social:

Our annual picnic will be on May <sup>17</sup>~~24~~.

Respectfully,  
Marge Zitzmann
