## Welcome New Residents

Please welcome Charles and Marie Murray to 124 Tollgate Way. Chuck and Marie moved to Falls Church from Silver Spring, Maryland due to a new job. Chuck works for the Fairfax County Water Authority. They have two children Charles and Meghan who both attend William and Mary College. Once they are finished with “personal touches” to their new home, the move-in will be complete.

## Parking in Tollgate

You may have noticed that the City of Falls Church placed two NO PARKING signs at the front entrance. Please remind all visitors of the new change. Also, please encourage visitors to use the visitor parking pads before choosing to park on the street. Due to an unusually narrow street, compared to city standards, access to emergency vehicles is critical at all times.

## Landscape Committee

The current Landscape Committee is looking for two new members. Terry Zawacki and Kathy Doherty will co-chair the committee. If you are interested in helping the committee please contact Terry at (703) 532-8787. Please note that the landscape request forms can be found on the website at [www.tollgateway.org](http://www.tollgateway.org).

## In the Gutter

The Board has contracted a gutter company for a semi-annual gutter cleaning for each homeowner. Notice will be given prior to each cleaning and homeowners will be asked to open back gates and secure all pets inside the home. If the services are satisfactory there will be an opportunity for a homeowner to contact the company directly for any additional needs at the owner's expense.

## Driveways and Walkways

Last year the Board signed a contract with Schneider Contracting Corp for the resurfacing of the driveways and walkways. Work is expected to start in 2 to 3 weeks. In the meantime, homeowners with repairs needed to their driveways will be notified of the estimate and will need to decide if they want to pay for the repairs. The cost will be split 50-50 with the Association. We will notify effected homeowners as soon as the work is scheduled.
