## Special Thanks & Recognition

In this, the first Newsletter of 2006, the Tollgate board would like to extend their thanks to a number of individuals who have volunteered their time, talents and homes.

A special thanks to Garry Sauner who recently completed his three year term on the board, the last of which he was President. Garry's year as President was marked by wonderful improvements to the Tollgate property with the installation of new street lamps, the replacement of the gazebo roof, and coordination of the group deal to provide maintenance-free gutters to homeowners. Garry gave many hours to Tollgate and, most recently, successfully represented our interests to the city on the matter of the Cherry Street properties.

The Board would also like to recognize the work done by Ed Bronikowski on the trim work of the gazebo, following the installation of the gazebo's new roof. Ed's many hours of painting saved the Association hundreds of dollars and is most appreciated.

Bob Donaldson also deserves our thanks for the many "quiet" activities that he oversees for Tollgate. In addition to serving as Tollgate's Treasurer and developing the website, Bob spends hours with contractors and oversees the care of the beautiful trees that are a hallmark of our community. Bob and Cindy Donaldson also opened their home for Tollgate's annual meeting.

Thank you, to Terry Parsons, for graciously hosting Tollgate's Annual Christmas Party for several years. This year, his beautiful home provided an elegant setting for a wonderful holiday evening, and included an impromptu house tour which was much appreciated.

Thanks to the volunteers who decorated Tollgate for the holidays and removed those decorations.
