Tollgate Social Calendar

The committee has planned three events for the 2007 calendar. A Garden Party in May, fall picnic in September, and a holiday party in December. Invitations will be sent to each homeowner prior to each event:

Garden Party May 20th
Fall Picnic September 23rd
Annual Homeowners Meeting... November 13th
Holiday Decorating of Tollgate.. December 11th
Holiday Decorating.....December 1st
Holiday Party..... December 9th

Welcome new neighbors!

Have you noticed your trash bags ripped open or heard loud sounds in your backyard?

Please welcome a new family of raccoons to Tollgate. A mother and a few babies are living in a tree right outside of Tollgate behind 108 and 110. We contacted Animal Control but no need for concern; she is safe and may relocate as soon as housing prices drop.

Development on Cherry St.

Homeowners within 150 ft. of 103 Cherry St. have been invited to a meeting at City Hall to discuss the demolition and construction of a new single family home. The meeting is required under the Chesapeake Bay Preservation Ordinance.

What is that smell in the water?

From April 7 through May 7, 2007, the Washington Aqueduct water treatment plants switch their secondary disinfectant from chloramine (chlorine combined with ammonia) to free chlorine. The resulting chlorine taste and odor is normal and poses no health risk.

Dialysis centers, medical facilities, and aquatic pet owner should take precautions.

The City of Falls Church will also conduct routine maintenance by flushing water mains during the day. If you have any problem with discoloration in the water due to the presence of sediment, you can contact the City's water utility customer service division at (703) 248-5071.

Garden Party in May

Please join your neighbors on Sunday, May 20th from 5:00 p.m. – 8:00 p.m. for a Progressive Garden Party. Plan to tour three beautiful gardens here in Tollgate and enjoy food and drink. Look for invitations in your mail soon! Any questions, please contact Ella Lyons (703) 536-7441.
