## Trees

Now that spring is here, it is time to assess the damage from this past winter. The community's trees took a direct hit. We lost 3 trees already and more will have to come down. The Silver Maple in front of 110 lost a very large branch due to rot and the tree has been judged unsafe, so it will have to come down. The Magnolia between 106-108 may survive. Following our long established practice, we will solicit recommendations from homeowners for replacement trees for those that have been lost.

## Summer Contractor Work

The Board continues to collect estimates to have Tollgate's driveways, parking pads, and walkways power washed and stamped concrete surfaces resealed this summer. Homeowners approved this budgeted work at last November's annual Association meeting. Residents will be kept informed once a contractor and work schedule is determined. We hope to minimize any inconvenience to residents by staging the work effort and making advance parking arrangements at Dulin Methodist Church. For more details contact Garry Sauner.

## Neighborhood Watch

We need to watch out for "workmen" in the neighborhood who could be taking advantage of quiet workday or overnight hours to break in or steal property from outside our homes. One home reported downspouts were removed in March while the owners were away. If you see workmen in the neighborhood during daylight hours feel free to walk over and assure yourself they are there for legitimate purposes. At night – just call the police.

## Architecture

Owners are reminded to use our website <http://www.tollgateway.org> as your resource to guide your planning of exterior repair work.

## Spring Social May 16th

Save-the-Date of May 16 for the spring social. Philippe and Tracy Casteuble will host this event in the back patio of their house, 127. The social is scheduled for 5-8 pm on Sunday, May 16. Neighbors can bring an appetizer to share. It should be a good time to catch up on things after our snowy winter.

## Social

Here is a list of anticipated 2010 Tollgate Association Social Events.

Spring Social.....Sunday, May 16th  
Fall Social.....Sunday, September 19th  
Annual Meeting.....Sunday, November 14th
